

Gardens of Wetumpka Wins 2020 Best of Assisted Living Award From SeniorAdvisor.com

Wetumpka, AL, February 20, 2020 – The Gardens of Wetumpka is proud to announce that they have been selected as one of the 2020 Best of Assisted Living Award Winners on SeniorAdvisor.com, the largest ratings and reviews site for senior care and services in North America and Canada.

SeniorAdvisor.com is in their 7th year of hosting the Best of Senior Living Awards. SeniorAdvisor.com's Best of 2020 Award winners represent the best of the best of assisted living, in-home care, and other senior living providers, based on the online reviews written by seniors and their families. This exclusive designation honors the top 2-3% of senior care providers across the United States and Canada.

The annual SeniorAdvisor.com Best of Senior Living Awards tabulates over 240,000 family created reviews to find the highest quality care providers for this honor. Of the nearly 45,000 communities currently listed on SeniorAdvisor.com, just over 610 were recognized with this prestigious award.

The Gardens of Wetumpka Assisted Living is one of the only winners in the River Region area and regularly receives exceptionally positive reviews from their senior customers and their families like this one entitled **'HOME AT LAST'**:

“My mom moved into the Gardens of Wetumpka in January of 2019. At the time, she had some health issues that we were aware of and some that we were not aware of. The management and staff at the Gardens took everything my mom or any of our family members said to heart. They went out of their way to make Mama comfortable and to accommodate her as she dealt with the adjustment to her new home. It's been almost 3 months now and we couldn't be happier. Mama told me just last week that her house doesn't feel like home anymore. The Gardens does. That is where she feels at home. I can't express how grateful I am to everyone there, staff and residents alike, for making my mother feel at home. It's such a blessing. – Lynn Wilborn

The Executive Director of SeniorAdvisor.com commented on the award:

“As SeniorAdvisor.com's 'Best of Senior Living' awards enters its seventh year of honoring the top family rated communities and care providers, we are proud to say that the bar has been raised. In order to ensure only the best communities and care providers win, we decided to make the criteria harder than ever this award season and over 610 senior living and home care providers rose to the occasion. Each year we are increasingly impressed with the quality of winners and look forward to spreading the word about these award winning organizations.”

To qualify for inclusion in the Best of 2020 Awards, care providers must have maintained an average overall rating of at least 4.5 stars while receiving five or more new reviews between November 17, 2018 and October 18, 2019. Additional details and a complete list of award winners can be found on SeniorAdvisor.com.

About the Gardens of Wetumpka Assisted Living
